

# AR PARVEZ

SHOPIFY DEVELOPER

## PROFILE INFO

I'm a Shopify Developer with expertise in theme development, including custom sections, AJAX, and Shopify Liquid. I've worked with page builders like PageFly, gemPages, and Shogun, as well as popular themes. Previously, I worked with WordPress using Elementor, Divi, and wpBakery, along with themes like Astra, OceanWP, Kadence, WoodMart, and Martfury.

## WORK EXPERIENCE

### Shopify Developer

2021 - 2023

Working as a full-time Shopify Developer for 3 years at Prep Digitals. I created new e-commerce websites and regularly updated clients' existing sites. I also added new sections and fixed bugs to enhance site performance.

### Freelance WordPress Developer

2020 - 2021

Working as Freelance WordPress Developer for 1 year on a Digital agency.
